**We're so glad you could join us for worship this morning.** *Please note the following precautions we are taking to provide a safe and encouraging experience for all worshipers today (which may vary slightly depending on which service you are attending).*

**Seating:** As we practice social distancing, it is essential that we each honor the comfort level of our fellow worshipers. Maintain approximately 6 feet of space between you and others with whom you are not regularly exposed (e.g., family). Only sit in the seats that are not marked off by tape. Large families may require a full row so it would be helpful to seek a row that already has someone else in it to leave room for whole rows for families as you are able.

**Ministering to children:** We are prayerfully considering best practices for re-establishing discipleship opportunities for our children. At present, we are not offering our Children's Church, nursery, or Sunday school classes on Sunday mornings. The nursery is available for parents and their youngest children at any point during the service should you need it. There are sections marked off with tape in the Nursery to help provide social distancing for you and your child. You are encouraged to bring your own toys, snacks, diapers, etc. since all nursery items will be removed.

We thank God for every child and would be delighted to have your child in the sanctuary worshipping with us. Let's celebrate the little extra noise as a reminder of God's covenant faithfulness!

**General Health:** If you or a family member have had a temperature in the last week, experienced any symptoms of illness, or been exposed to someone with Covid-19 in the last 2 weeks, please return home and seek medical guidance on a safe return with us. If you begin to cough, please cover your mouth with the mask.

**Masks:** Mask wearing is *required* when entering and exiting the building and whenever singing for the 9 a.m. service. It is *recommended* when entering and exiting the 10:45 service but *required* during singing portions of the service. If you cannot wear a mask due to various health reasons, simply refrain from singing.

**Exiting the Service:** Please exit the building immediately following the benediction and continue fellowship in the parking lot at a safe distance.
